

The diagram consists of two rectangular boxes side-by-side. The left box contains a red oval with a black border, which in turn contains the text "[2/3] call void @__cxx_global_var_init(), !dbg !970". The right box contains a yellow oval with a black border, which contains the text "[0/1] ret void".

[2/3] call void @__cxx_global_var_init(), !dbg !970

[0/1] ret void
